

## MAICSA Annual Conference 2010 19 & 20 July 2010, Hilton Kuala Lumpur

Dear Members,

The much anticipated 2010 MAICSA Annual Conference has been themed “**GOVERNANCE AND ETHICAL PRACTICES IN THE BOARDROOM**”.

The Conference programme, packed with the topics listed below, has been conscientiously designed with the aim to keep delegates abreast with updates on regulatory and corporate environmental issues, which are challenging and affecting corporate institutions and professionals today:

- Effective Fraud Prevention and Detection
- Enhancing Corporate Responsibility for Sustainability
- Board Assessment
- The Companies Commission of Malaysia’s (CCM) Second Strategic Master Plan (2010 – 2014: New Frontiers)
- Updates from Bursa Malaysia on the importance of Financial and Corporate Disclosures
- Goods and Services Tax (GST): The Way Forward
- Discharging Directors’ Financial Reporting Responsibility
- Business Ethics in Board Decisions
- Keeping Company Secretaries Vigilant
- Audit Committee Expanded Governance Oversight Role: Are you equipped?

A great line-up of prominent speakers and panellists, all experts in their fields, are lending their support by sharing their knowledge, experience and expertise with delegates of the Conference.

As a supporting body, members of MSWG will enjoy a preferential registration fee. For more information on the conference, attached is the conference brochure or please click here:
