MSWG AGM/EGM WEEKLY WATCH
30 JANUARY 2023 - 3 FEBRUARY 2023

MSWG had issued AGM/EGM letter to the following PLCs for their shareholders meeting held from 30 January - 3 February 2023.

The extraction of the question raised in the letter is highlighted here. For the details of other questions, please login to MSWG website at www.mswg.org.my.

One of the points of interest to be raised:

Company	Points/Issues to Be Raised
Chin Teck Plantations Berhad (AGM)	Tight supply of human resources, particularly of migrant labour is an ongoing challenge faced by the Group, made worse this year by the pandemic and the curtailment of international travel for a significant part of FY2022. Relaxation of border controls will only return migrant labour numbers in the company to pre-pandemic levels in FY2023. [page 15 of AR2022] To-date, to what extent has the Group's labour shortage issue normalised? How far off is the Group from addressing its labour needs?
