KUALA LUMPUR: Results and findings of the Malaysian Corporate Governance Index 2010 will be presented by the Minority Shareholders Watchdog Group (MSWG) on Thursday.

MSWG said the presentation will take place at Bursa Malaysia and those attending the event can learn some tips on how to integrate corporate governance best

practices into various corporate endeavours.

It said that some leaders from Malaysia's top public-listed companies will be discussing their corporate governance experiences.

A panel of corporate governance experts will also share knowledge and experience of the regional and international corporate gov-

ernance best practices.

The cost of attending the event is RM650 and will include a copy of MSWG's "Malaysian Corporate Governance (MCG) 2010 Report — Index and Findings."

MSWG will also be conducting a two-day seminar called "Picking Investment Grade Stocks with Value Investing Strategies" this coming weekend.
