## **SC seeks feedback**

**PETALING JAYA:** The Securities Commission (SC) and the Minority Shareholder Watchdog Group (MSWG) have issued a joint consultation paper seeking feedback from the public on the Malaysian Code for Institutional Investors 2014 (Code).

In a statement, MSWG said the code set out eight principles together with guidance for institutional investors on effective exercise of stewardship responsibilities towards the delivery of sustainable long-term value to the institutional investors' ultimate beneficiaries or clients.

The paper is available on both websites of the SC and MSWG.
